DELHI GATE FOODSTUFF TRADING L.L.C

Food Safety Policy

At Delhi Gate Foodstuff Trading L.L.C, we are committed to supplying safe, fresh, and high-quality fruits and vegetables to our customers in full compliance with local and international food safety regulations.

We recognize that food safety is critical to public health, customer satisfaction, and the success of our business. Therefore, our food safety policy is built on the following key principles:

1. Compliance with Legal and Regulatory Requirements

We strictly follow the food safety laws and regulations of the UAE, including guidelines from ADAFSA, Dubai Municipality, and international standards such as HACCP.

2. Prevention of Contamination

We take all necessary measures to prevent physical, chemical, and biological contamination during the handling, storage, transport, and delivery of our products.

3. Employee Training and Awareness

We ensure all staff involved in food handling are properly trained and certified in food safety, hygiene, and good handling practices.

4. Supplier Quality Assurance

We work only with approved suppliers who meet our food safety and quality standards, and we regularly review their performance.

5. Continuous Improvement

We monitor our food safety procedures and conduct regular internal checks and audits to identify risks and implement corrective actions.

6. Customer Focus

We actively seek customer feedback to ensure we continuously improve our food safety performance and maintain high standards.

This Food Safety Policy is communicated to all employees, reviewed annually, and is made available to our stakeholders upon request.

Sincerely,

Ashish Khanna

Quality Policy

At Delhi Gate Foodstuff Trading L.L.C, our mission is to deliver fresh, safe, and high-quality fruits and vegetables to our customers across the UAE and beyond. We are committed to:

- Consistently meeting or exceeding customer expectations for product quality, safety, and service.
- Complying with all applicable legal, regulatory, and food safety requirements.
- Improving the effectiveness of our quality management system through regular monitoring, feedback, and performance reviews.
- Ensuring the competence, awareness, and involvement of all employees in achieving quality objectives.
- Building strong relationships with suppliers and customers based on trust, transparency, and mutual benefit.

This policy is communicated to all employees and stakeholders, reviewed annually, and forms the foundation of our quality objectives and operations.

Sincerely,

Ashish Khanna
